

Wraparound childcare in schools

What is wraparound childcare?

As the name suggests, wraparound care refers to childcare that wraps around the conventional school day.

Often referred to as breakfast clubs and after-school clubs, wraparound care sessions take place on-site at the school and are an opportunity to extend social and learning opportunities for the children in its care. At Canon Popham C of E Primary School our wraparound care offer is provided via Premier Education (for more information please use the link) <https://www.premier-education.com/>

Breakfast club

Breakfast club takes place in the school hall and is open daily from 7.30am until start of school at 8.40am

Afterschool club

Afterschool club takes place in the school hall or library and is open daily from 3.15pm – 6pm
